

# Knee Space Panel for Apron Rail, Standing Height

Mopec's Casework Line features durable, modular stainless-steel cabinetry engineered to meet the distinct needs of surgical pathology, autopsy pathology, and laboratory settings. Each unit is built for long-term performance, easy cleaning, and seamless integration into clinical workspaces. Available in a variety of sizes and configurations, Mopec casework ensures efficient, organized, and ergonomic workflow solutions.

LCKSH-30S

LCKSH-36S

## SPECIFICATIONS

### Construction

- Includes 1 Knee Space Panel
- Meant for use with an apron rail

### Materials

- 304 stainless steel construction with a polished No. 4 finish

### Dimensions

- LCKSH-30S: 30" L x 1" W x 34.6" H
- LCKSH-36S: 36" L x 1" W x 34.6" H

### Performance

- Provides a finished look to the cabinetry, especially in areas where there is an open space beneath a counter top, such as in a kitchen or laboratory setting.
- Hides plumbing, electrical wiring, or other mechanical components that may be located beneath the counter top, creating a cleaner and more organized appearance.
